LAST CALL – Save it for the White Elephant Sale

The AAUW White Elephant Sale, May 23rd, Train Depot, 9 a.m. to 3 p.m.

Can't you just feel the growing anticipation!

We know you are saving a large pile of fabulous items for our sale. Would you please send **both** Peggy and Mary a list of these items? As in previous years, our flyers and posters will have a list of specific items offered at the sale. Antique quilt sounds so much better than bedding! Keep looking for free items on the street, left there after a garage sale. Pics would be great, too! This year we are going to attach pictures of our items on the Craigslist notice.

Quick overview:

Collect good and cool and clean stuff for the sale.

Save it at your house as long as you can!

Drop off your items anytime between 10a.m. and 2p.m. on Friday, May 22nd.

If you cannot make this time, we will make alternate Plan B arrangements.

Send pictures of large and pricey items.

Price things that are unique.

Price and note size on all linens, i.e., tablecloths, bedding, quilts.

Continue to collect pots/plants for the plant sale. Label your plants with their name and general growing conditions.

Volunteer to help on May 22nd (set up) or May 23rd (sale) or both.

Come to the thank you tea after the sale for the volunteers!

AAUW-HMB Local Scholarship:

By the time the membership reads this article, the recipients of the Edna Cox and Ivania Portacarerro HMB Branch Local Scholarships will have been selected and informed that upon verification of registration for the summer or fall semester of 2015 they will receive the scholarship of \$2000 which the generosity of Edna and of our membership have made possible. The recipients will be announced at the May 16, 2015, Scholarship Brunch. Please join us for that happy event.

Since 1973, when Susan Alves received the first scholarship of \$500 from AAUW-HMB, the branch has awarded 72 scholarships. The recipients for 2014 were Giselle Mendoza, Lena King, Marissa Cagle, and Claire Haines. Each recipient was awarded \$2000. Charise McHugh explained that the Rotary @ Chamber @ the HS program teaching HS seniors about resumes, finance, social media, HT, and interview techniques will take place at HMBHS May 18-22. Pescadero and Pilarcitos students have already received the training program. Charise is pleased with the students' enthusiastic participation in learning about these much needed job and life skills. Cabrillo Superintendent, Dr. Tony Roehrick, announced that the Kent Award has been presented to the Leadership Program at Cunha Middle School. The Leadership Program was designed and continues under the guidance of Tom Cox. Dr. Pernambuco-Wise reviewed the community involvement opportunities for the students at Sea Crest. THE AAUW FUND

Wow! Two years heading up AAUW Funds have passed quickly! It is with pleasure that I welcome Diana Kalos, our new AAUW Fund VP. Congratulations, Diana—I know you will do a great job.

As I tip my hat and ride away, I want to thank my incredibly sharp and dedicated team of Julie Gerth, Helen Paul, Ruth Rafello and Judith Rosenberg.

- *Eleanor Roosevelt speaker (ER funds research)
- *Next Door Solutions to Domestic Violence speaker (AAUW Community Action Grant recipient)

- *Raised \$7,000 in 2014 through individual donations, White Elephant Sales, Pumpkin Bread, Holiday Teas and the Fall Phantom Cruise
- *Raised a total of over \$10,300 from Jan. 2013 to Jan. 2015

- *Continued to further AAUW’s mission to advance equality for women and girls through advocacy, education, philanthropy and research

With gratitude to Julie Gerth, here are a few of the lyric we all sang to the tune “Good Ship Lollipop’ at last September’s Membership Luncheon. These words say it all:

ON THE S.S. SCHOLARSHIP

On the S.S. Scholarhip,
It’s a no-stress Philanthropic trip;
Gift large and small grow endowments like the two we have now.
Fellowships for Ph.D.s, Disserta-tions, STEM degrees.
And with our Funds
Women changing gears can get the job done.

Thanks, Everyone!

ANNOUNCING

THE LONG-AWAITED PUBLICATION OF AAUW’s SOLVING THE EQUATION

The Variables for Women’s Success in Engineering and Computing

“Solving the Equation” asks why there are *still* so few women in the critical fields of engineering and computing—and explains what we can do to make these fields open to and desirable for *all* employees.

Just 12 percent of engineers are women, and the number of women in computing has fallen from 35 percent in 1990 to just 26 percent today.

You can read this important report at www.aauw.org/research/solving-the-equation.

You can also order a printed report on Shop AAUW.

June Baxter, AAUW Funds VP

It's AAUW Membership Renewal Time!

It's that time of year when we all need to think about renewing our AAUW membership for the upcoming year (July 2015-June 2016.) The dues for all renewing members has increased by \$4 this year due to the increase in state dues but national and branch remain the same so total dues will be \$90 (\$49 national; \$20 state and \$21 branch.) \$46 of the national portion of the dues is tax deductible and the \$21 branch dues may be tax deductible pending the IRS decision on our 501(c)(3) application. Dues assistance is available upon request. Contact our Branch President, Harriet Beck, or Membership VP, Mary Sheridan.

We are changing the process this year and using our email distribution list to contact everyone rather than individual mailings. This will save the branch about \$100 plus be a more efficient process. If you are not on the email list, you will receive a hard copy in the mail. Information will be sent out on or about May 1, 2015 via email from Betty Lee-Kendall. There will be a dues renewal form attached and instructions on how to return the form. In order to facilitate the dues renewal process, please send your dues check by June 15, 2015 to membership treasurer Mary Sheridan. If you have issues printing the form, just contact me and I can mail you a hard copy.

We encourage all branch members to participate in our branch's **Dues Renewal Fundraiser**. This allows members to conveniently donate to our scholarship programs at the same time as renewing their dues. Donations of less than \$25 for any or all of the three designated program(s) may be included in your dues check, payable to "AAUW-HMB".

For donations of \$25 or more, please include separate checks, which we will forward appropriately, make out as follows:

- Tech Trek – make check out to "AAUW-CA, SPF"
Tech Trek in the memo line.
- HMB Local Scholarship – make check out to "AAUW-HMB"
HMB Local Scholarship in the memo line.
- AAUW Funds – make check out to "AAUW Funds"

Thank you for your continued membership in AAUW and I look forward to seeing you at AAUW events in 2015/16. The branch did a wonderful job recruiting new members these past two years so it would be great if we could keep that momentum going with a high renewal rate also. Please continue to support this dynamic, powerful national organization by renewing your membership for the upcoming year.

Mary Sheridan
Membership VP/Membership Treasurer

Membership Matters!!

Congratulations to **Wendy Lama** who is the winner of our recruitment contest. Everyone who recruited a new member this year was eligible for this prize and the winning name was selected at the April 13 board meeting. Wendy will receive free national dues for next year which is a \$49 value. Thank you to all the members who recruited a new member to the branch.

I would also like to introduce our newest member - Peggy Bechtell. Peggy lives in Montara and is a retired nurse. She was recruited by Marilyn Garrison. Please add Peggy's contact information to your directory and be sure and welcome her at our next meeting or event.

Peggy Bechtell, 1125 Tamarind St, PO Box 370493, Montara, phone - 728-3946 and email to bechtell@comcast.net

Edna Cox Fund Committee Report:

The Edna Cox Fund Committee (ECF) met on March 30 to determine the recipients of this fund. Committee members are Chair; Ruth Rafello, President Harriett Beck, Treasurer Barbara Von Glahn and members Delores Crabb and Erika Pardo. As mandated by our policy \$2000 for a local scholarship, \$900 for one Tech Trekker, \$1000 to fund our summer STEM workshop will be given and an addition this year \$100 to fund a teacher as sponsored by the HMB Chamber of Commerce, of which we are a member. Three teacher grants are also to be awarded before this goes to press. Linda Herbert, kindergarten-first grade teacher at Farallone View, will receive \$500 to complete the purchase of Imagination Blocks for which the students have already raised about \$2000. Lizeth Bendana from Pilarcitos Alternative School will receive \$1500 for the first ever yearbook for the school and Amy Traenor, head of the math department of Half Moon Bay High School will receive \$403.90 to purchase two sets of Zoom kits to study how volume and other spatial problems look in the real world to be used by all math classes with the new Common Core curriculum. This is one more example of how our branch makes a real difference in our school community, thanks to our charter member, the late Major Edna L. Cox (retired).

Thank you Edna!

AAUW Public Policy:

Did you know that according to AAUW's just published report "SOLVING THE EQUATION", less women are in technology and engineering now than in the past? (12% in engineering and 26% in computer science). Here is something unbelievable, according to this report, 30% of businesses will hire a male over a female, even though he may NOT BE AS QUALIFIED !!

AAUW is holding TWO elections this year, state and national. The national elections will be held from April 15-June 19th. In your latest edition of OUTLOOK, you can read about the candidates and the 5 proposed by-law changes. The by-law change that will most impact AAUW members is the proposal to extend membership to anyone who supports AAUW's mission and pays their dues. This means that, if passed, the requirement for an AA degree or better will no longer be necessary to join AAUW. On the back of your OUTLOOK, you will find your AAUW ID # and your PIN # to vote electronically.

AAUW CA will have voting from April 18-May 8. There is one by-law change they are asking you to vote on, to make it easier to replace an elected state officer, if that person resigns. You can go on the AAUW CA web site to read about this and also to read about the candidates for state office. Several offices both national and state are contested this time, so it is important for you to vote to insure you have a voice in what you want your organization to focus on during the next two years.

If you do not have email, you should be receiving a card in the mail, that you need to send back to request a paper ballot. The deadline to mail paper ballots is May 26. If you need help in understanding how to vote, please contact us and we will be happy to help.

CA SB358 is one of 30 bills that AAUW CA is supporting, after reviewing over 200. SB 358 is about Fair Pay and is heavily supported by AAUW CA. Let your congress person know that you support this bill. On the national front, the Fair Pay Check Act has been reintroduced to the US Congress. This also needs our support, so send those emails or call your congress person. AAUW Public Policy will focus more on fair pay this year than any other public policy issue.

Carlos and Mary Vargas, Public Policy, Co-Chair

Inter Branch Council: (Mary Vargas, IBC Liaison (650) 712-8699 or cvu59@aol.com

Do you know what the IBC is? It stands for Inter Branch Council. Throughout California, several branches join together to form an IBC. They usually meet 3 or 4 times a year to share ideas and information. Our IBC consists of 6 branches: SF, North Pen., San Mateo, San Carlos, Pacifica and us. We meet 3 times a year. At our last meeting on March 28th, we decided to share our calendars to make a master calendar, so that we can see what each branch is doing and possibly attend other branch programs and activities. Our next IBC meeting will be on Sat. June 13, where we will be discussing program ideas and planning a joint program for next season. Please send me any ideas you may have for this joint program. Women in History? Equal Pay Day? Or?

STEM Day Camp:

Our STEM Day Camp will be held July 14 through July 16 from 9 am to 3 pm. We will be offering this program to 7th grade girls who were not accepted for Tech Trek. We will also consider including 8th grade girls who did not go to Tech Trek last year. The camp site will be determined by the Summer School site used by the district. It will probably be held at Cunha Intermediate School. We will no the site closer to the end of the year.

We will need help from the membership in the following areas:

1. Women in the STEM fields (who are working or have worked in STEM) who can present a hands on workshop on the 14th or 15th or to be part of a discussion panel on the 16th in the afternoon.
2. Members who can help out with the set up on Monday the 14th, transportation to the beach or walk back from the beach with the girls.
3. Help in making copies of materials
4. Ideas for hands on activities
5. Conduct a math game with small groups on the 14th in the morning

This is the third year we will be holding the day camp. We want to thank the Edna Cox Fund for providing the funds needed to make it happen.
