Artists in Our Midst

Princeton Pier by Katie Murdock

Monday, March 18, 2019 • 6:30 to 9 p.m.

Doors open at 6:15 p.m.

Community Room, Half Moon Bay Library

Our March meeting provides an opportunity for us to tap into our collective creativity. Two of our members—**Mary Knippel** and **Katie Murdock**—will be our speakers.

Mary is the founder of yourwritingmentor.com. Using her skills as a journalist with more than 30 years of experience, Mary encourages others to tell their own remarkable stories. Her book, *The Secret Artist*, chronicles the pivotal role creativity has played in her life.

Our program will feature Mary's presentation, *Your Life is Your Work of Art – The Power is in Your Hand*, which is designed to "inspire, inform, delight and empower the

audience to recognize they are artists crafting their lives with every choice they make."

Katie has been an educator for more than 35 years, teaching mainly about the ancient world, archaeology, art and science. She has worked extensively as a volunteer. Her written credits are numerous, writing and editing for many publications. Our program will feature her work as a filmmaker, with a viewing of *Coastside Ruins*.

"After photographing Coastside architecture for a calendar, as President of the now defunct Spanishtown Historical Society, I wanted to preserve bits of the

Coastside that were disappearing. Over the course of three months I did the writing and shooting – editing took another month. I would love to do another if I can find someone with an adequate camera. I have lots more sites in mind. Many of the sites in this video have now completely vanished."

Join us as we celebrate these two remarkable women, and their accomplishments, as artists in our midst.

Meeting reminders: Hospitality to be provided by El Granada and Miramar. Social time begins at 6:30 p.m.; speakers begin at 7 p.m. Business meeting to follow.

President's Message: Women's Salaries

What is significant about these two dates: April 2, 2019, and Oct. 10, 1911?

April 2, 2019, is Equal Pay Day. It was originated by the National Committee on Pay Equity in 1996 as a public awareness event to illustrate the gap between men's and women's wages. The second date is probably not as familiar; the date recognizes California as the sixth state to ratify the 19th Amendment, eventually giving women the right to vote on Aug. 18, 1920.

Did you notice women in Congress dressed in white for the State of the Union address? Rep. **Lois Frankel** (D-Fla.), who initiated the suggestion, says: "We'll honor all those who came before us and send a message of solidarity that we're not going back on our hard-earned rights."

I am reminded the early 1900s recognized women's right to vote. Equal Pay Day and the 19th Amendment are the reminders we have come a long way, but not quite far enough!

As part of AAUW's Strategic

Plan, programs were put in place to train 10 million women in salary negotiations by 2022 to achieve pay equity by 2030 through Work Start and Work Smart. They have made us aware that the Paycheck Fairness Act has been introduced to Congress.

Kim Churches, AAUW CEO, notes: "The Paycheck Fairness Act is essential to eradicating practices that have perpetuated the pay gap for far too long. In 2019, the idea that we still don't have equal pay for equal work is nothing short of outrageous. AAUW urges the 116th Congress to take this important step toward pay equity with the swift passage of the bill. In addition, the "Simple Truth about the Gender Pay Gap" represents an AAUW research project that is available from the website.

AAUW tracks state progress regarding pay equity. I'm pleased to report California ranked first with the largest gender pay ratio: 89% as of 2017! Nationally the ratio is 80%.

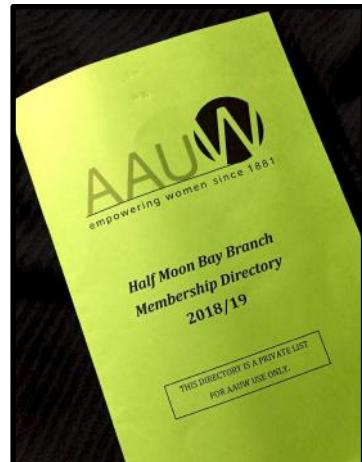

We're making progress but we can't let up!

Gearing up for Directory Production

Our Branch Directory is a great tool for your connection to AAUW Half Moon Bay. We like the Directory to be as accurate as possible. Please check your listing to make sure it is correct. Membership Renewal Time Approaching

I wanted to remind everyone that I will start the membership renewal process in April. Dues for the 2019-20 year will be \$110 and I will include all the information on how to renew your membership in the April *Tidings*.

I have instituted two changes that will make it easier to renew:

1. You could win a prize if you renew by June 1 so you have some incentive to get your payment in

by then. I know we all love the opportunity to win something so take advantage of this offer!

2. At the April 15 and May 20 General Meetings you can pay your membership dues via credit card. So no more excuses about not remembering to mail the check!

Watch for more details in April.

Save the Date: Coastsde Gives

May 2, 2019 • Midnight to 11:59 p.m.

This will be the third year that AAUW HMB participates in Coastsde Gives, the 24-hour online fundraiser open to Coastsde nonprofits. In the first two years, we raised nearly \$12,000 from donations and prizes. Your generous donations have funded Tech Trek scholarships, local scholarships to Coastsde women graduates and research and advocacy at the national level.

Watch your inbox for more information.

WE Rummage Sale: Seven Years and Seven Words

This is the seventh year that AAUW HMB will hold its White Elephant Rummage Sale (four words).

And the mantra is "sort, save, price" (the other three words).

The sale is Saturday, June 1, at the Train Depot and it is the first time we are using the word "rummaging."

This can also be defined as an action word for our branch, as in "time to rummaging in your home and surrounding environs for unique, quirky, usable, lovely items to sell."

A newly created WE Rummage Sale Guidelines document is now available on the branch website. Check it out for tips on pricing and collecting items that will sell well.

Mary Sheridan and **Peggy Rozhon** will also help with pricing items at our next monthly meeting on Monday, March 18. Thanks very much for all you do (also seven words!).

Another Successful AAUW Speech Trek Contest

Two seniors from Half Moon Bay High School participated in a speech contest sponsored by AAUW-HMB on Feb. 11 at the library in Half Moon Bay. The speech contest topic was "How Can We Eliminate Violence Aimed at Our Schools?" The two contestants explained what students, parents, school staff and faculty, and our communities can do to eliminate school violence.

A three-judge panel selected **Randi Marshall** as the first prize winner and **Meilani Bolding** as the second prize winner. Our branch awarded the contestants prizes of \$100 for first place and \$75 for second place.

The three top speakers from AAUW local branch contests held throughout California will be invited to compete for a \$1,500 prize at the AAUW California State Convention in April.

This is the third annual speech contest sponsored by the Half Moon Bay Branch. Two years ago, the local winner was selected as a finalist for the statewide speech contest.

to help the two young women successfully prepare for the local contest. **Allene Zanger** and **Mary Vargas** served as co-chairs of this year's contest.

You can view the speeches on YouTube:

Membership Update: We're Still Growing

Hello from the Membership VP! It is exciting that we continue to grow. We have more than 150 members, with a few new members joining in March!

We have changed how we use our name tags at meetings: Please take your name tag out of the box at the beginning of the meeting. At the end

of the meeting, simply place your name tag in the square box. I will file all of the name tags after the meeting.

This new system will save you time and will allow our group to keep a count of members in attendance. See you at the March meeting!

Kathleen Cha on "Worldwide General Equality – Women's Global Leadership"

Feb. 3, 2019: On a Saturday the weather was purported to be rainy and windy. However, I braved the elements to attend the Interbranch Council meeting featuring **Kathleen Cha**, past National and State AAUW President. The inclement weather declined and I witnessed a rainbow – nice ending to an inspirational afternoon.

Cha epitomizes my image of AAUW. A leader passionate about women's issues and not afraid to assume a leadership role. Two current roles are a leadership position in the League of Women Voters and Non-Government Organization delegate to the United Nations Commission on the Status of Women.

I was surprised to learn that AAUW helped to establish the United Nations. Eleanor Roosevelt became familiar with AAUW's reputation and surveyed its members for leadership appointments within the UN. AAUW members were instrumental in framing the Universal Declaration of Human Rights.

When Cha listed the women's issues of the early 1940s, they

paralleled AAUW's current Strategic Plan. We have made some headway but they are still relevant today.

Sadly, she mentioned women in top world leadership positions must navigate barriers regarding laws and practices, conflicting social norms and demeaning attitudes. Park Geun-hye, first woman president of South Korea, was an example she cited. Innocent of all charges that were leveled against her during a contrived two-year campaign lead by current President Moon Jae-in.

Cha is part of a group trying to free

Geun-hye from the 33-year prison sentence. Another example is Dilma Rousseff, impeached Brazilian woman president. Cha made an impressionable point that if this behavior goes unchallenged, it will continue!

Cha brought global thoughts to our state and communities. The issues that affect women in a global arena become pertinent on a local level; think affordable housing and health care among others. Cha challenged us to reach out to others on these important issues.

Supporting the education of

young women poised to become our next generation of leaders is one of the most meaningful contributions AAUW HMB makes to our community. We are proud of the accomplishments of the young women we have helped in the past, and excited to meet our 2019 winners in the coming months.

March: Women's History Month

Did you know that Women's History Month began as a local celebration in Santa Rosa? The Education Task Force of the Sonoma County Commission on the Status of Women planned a "Women's History Week" celebration in 1978. In 1987, Congress passed a law designating March as "Women's History Month." The National Women's History Alliance selects the annual theme. The 2019 theme is "Visionary Women: Champions of Peace & Nonviolence."

Chamber of Commerce Education Committee Report

Several committee members reported the following:

- The Teacher's Supply Party was held Feb. 28 from 4 to 6 p.m. at the Maverick's Event Center (AAUW participated in this).
- Cabrillo Unified School District will honor science fair winners. Because of a lawsuit, there is redistricting that will affect school board representation. Volunteers were solicited for Principal-for-A-Day.
- The new nonprofit Coastsider Literary Arts Movement had its first

meeting on Feb. 10.

- The San Mateo Credit Union is rolling out two scholarship programs.
- Rep. **Jackie Speier** (D-Calif.) held a book signing at the Half Moon Bay Library on Feb. 9.

- Big Lift is continuing funding efforts.
- **Crystal Lench**, CUSD chief business official, showed slides regarding future school building improvements.
